Large Dollar Deposits

If your total deposits of checks, excluding the items listed in the "Items Excluded from Large Dollar Deposit Calculation" section later in this Policy, on any one business day, prior to our cut-off time, equal or exceed \$50,000, then, \$100 of any deposit will be available on the evening of your deposit to pay checks or items that are presented to us that evening for posting, an additional \$400 will be available the first business day after the business day of your deposit for all purposes, and any remaining funds will be available the second business day after the business day of deposit for all purposes.

B. Funds from checks will be available on the second business day after the business day of your deposit for all purposes.
